

Elementary Staff Development

Featuring: Great Young Minds Activities & OMNIKIN Cooperative Games!

A full day of MyStationPE.com Staff Development will promote academic and nutrition integration within all standards-based physical education programs.

MYSTATIONPE.COM GREAT YOUNG MINDS ACTIVITIES

Teachers will actively participate in movement-focused integration activities that are fun and work to reinforce National academic learning standards. They'll also experience nutrition related games that focus on teaching proper energy balance and healthful nutrition vocabulary.

Our goal is to offer your teachers new activities, strategies and resources that will energize and strengthen their skills and overall ability to help students meet today's challenges.

This section of training focuses on all 6 NASPE Standards.

MyStationPE.com offers all of the resources used in this session including:

- Standards-Based Activity Plans
- Reproducible Instructional Aides
- Assessment Tools
- Video Demonstrations
- Music Downloads

OMNIKIN COOPERATIVE GAMES

In addition to our GYM Activities, your teachers will also participate in OMNIKIN Cooperative Games as a way to promote social development and character education play. Friendly cooperation and competition encourages all participants to learn together as teams work toward both individual and group goals. Exciting OMNIKIN products are used in these activities and tournaments. Contact us for a recommended list of equipment.

The focus of this section of the training is on NASPE Standards 1, 2, 5 & 6.

MyStationPE.com offers an online OMNIKIN Cooperative Games Unit complete with video demonstrations.

The all-inclusive cost of MyStationPE.com Staff Development is \$3,699 per day

(Max 50 Participants) This covers all fees, travel and 1-Year MyStationPE.com Memberships for all Participants.

Please contact us to schedule your workshop 3 Months in advance.

"The presentation was engaging, well planned and designed to assist teachers with meeting the recommended amount of physical activity specified in the Healthy Active Children's Policy, without sacrificing instructional time. MyStationPE.com is a lucid foundation for bridging the gap between core subjects and physical activity."

- Shirley Johnson, Healthful Living Coordinator - Cumberland County, NC
